### ALEXBANK Retail Liabilities Saving Accounts Programs Overview

Item	Saving Account
<b>Definition</b>	<p><b>Saving Accounts</b>            Saving Accounts are offered to individuals in Egyptian Pound, US Dollars, Euros or British Pound. Saving Accounts offer the benefit of earning interest on credit balances. Interest is calculated on the lowest balance maintained in the account throughout the month and credited either monthly or semi-annually according to the account's nature. A debit card can be issued and either a monthly or a quarterly statement is sent to the customer upon their request. The customer can also access the account(s) using Alexbank internet banking platform.</p>
<b>Target Market</b>	All Individual customers
<b>You need to know</b>	If the customer performed repetitive withdrawals during the month, this will lead to a direct decrease in the paid interest (either monthly or semi-annually).

## Terms, Conditions & Guidelines

1. The bank pays interest for the lowest balances maintained in customer's account during the month according to the nature of each account.
2. All information disclosed by the customer to the bank must be correct (contact numbers, mailing address, email, etc..) to ensure reaching the customers in case of any bank changes/announcement, whereas the customer must regularly update his/her data and in case of any changes.
3. The customer should be aware that account operating/maintenance fees will be still applied to his/her account in case of non-frequent or no usage at all.
4. The customer should be aware that account status will be dormant in case no transactions took place for **2** years.
5. The bank reserves the right to amend interest rates (Debit, Credit) fees and conditions relevant to each type of account. Any changes of this nature will be announced through the most effective communication channel chosen by the bank within a suitable time-frame.
6. The customer can choose his/her preferred communication channel (SMS, Email, website, flyers, etc..) to receive any changes from the bank, whereas it's up to the bank to choose the most effective communication channel to reach the customer.
7. The bank provides the customer with a quarterly bank statement at most as stipulated in the Egyptian law or otherwise stated by the customer. All correspondence from the bank are considered received by the customer in case it is sent by ordinary mail or electronically to the address and/or email address stated in the account opening form or can be held at the bank premises if requested. Customer undertakes that if the bank didn't receive any objection from him/her on the balances reflected on the account/accounts statements sent to him/her from the bank within **30** working days from the date of bank notification with account statements, it will be considered as a final approval from the customer on the balances shown in the account statements. In case the customer didn't receive the account / accounts statements from the bank within **15** working days from the specified date for sending, the customer must submit a written request to the bank within **7** days following that date. If the customer does not request the statement during this period, then he/she is not entitled to object on not receiving the account / accounts statement in which all the balances shown on said statements are probative power against him/her, and this will be considered as an undertaking from the customer to the bank of the validity of what is stated in these statements.
8. The customer should be aware of his/her IBAN number, which is used to send and receive all money transfers to and from the customer's account through other banks, whether inside or outside Egypt. The use of IBAN does not result in the cancellation of the customer's account number, but rather a new formulation of this number so that it is easily recognized internationally in the implementation of these transfers. The bank guarantees the protection of the customer by providing him/her with this unique number to be used in the implementation of electronic payments easily, quickly and accurately, and thus avoiding error, rejection or delay in this regard, and the customer can obtain his/her IBAN by visiting the nearest branch or by calling the contact center at **19033** for Mass customers or **19044** for Magnifica & Private customers or through the Internet Banking service.
9. In case of receiving a transfer (cheque or transfer) with a different currency than the currency of the existing account, the customer authorizes the bank to open a new account with the same currency of the transfer received/ to transfer the amount received to existing account, provided fulfilling FATCA, KYC and other related required documents.

10. Operating the account by power of attorney requires the following:
  - The bank's power of attorney forms shall be used or an official legal power of attorney including a text to authorize the agent to deal with banks in case the customer wishes to authorize a third party to operate the account
  - The power of attorney document shall carry the exact same authorized signature that is kept at the Bank's end to be effective and used within the Bank and prospect client CIF should be created on the system and linked with the main customer.
  - Legal power of attorney from outside Egypt will not be effective unless official registration letter received from the real estate registry office as a pre-requisite for withdrawal.
11. The Bank may consolidate and set-off any amounts owed between accounts. The bank may also set-off any amounts owed now or in the future, on primary or linked accounts held individually or jointly, against funds deposited in the customer's accounts and any interest thereon.
12. The bank reserves the right to cover the mail fees, commissions, charges, stamps, taxes or any other costs from the account.
13. In case of any changes that will occur on the announced fees, expenses, commissions, terms and conditions ,or product features, the bank informs the customer in advance prior to applying the said changes using the available channels in the bank within a suitable time-frame. If the customer continues to use said product / service after the notification, then it will be considered as an approval from his/her side on these changes.
14. The customer has the right to cancel any product or banking service which is not activated (except for saving products) within 2 working days from the contract date without imposing any expenses or fines. The customer also has the right to retrieve all official documents that have been submitted to the bank.
15. The customer is entitled to review the contract before signing it and obtain a copy of the contract at any time after signing the said contract.
16. The customer's account is considered active in case the customer performs one transaction (withdrawal, deposit, transfer, electronic or written balance inquiry) at least within one year regarding current and mobile wallet accounts "Ma7fazty" and two years regarding saving accounts. Such transactions may be performed through the bank's branches or any other available means of communication or electronic channels and via payment service providers.
17. Customer's account status is turned into "dormant" after 1 year for current accounts and mobile wallets accounts "Ma7fazty" and after 2 years for saving accounts.
18. No fee is charged to the customer for reactivating or closing accounts.
19. If the customer holds other active accounts within the same bank, they may activate their dormant account by visiting the branch or using the available electronic means after the bank verifies the customer's identity in accordance to what is followed in this regard.
20. The customer can activate his mobile wallet account "Ma7fazty" through any of the following means (visiting the bank's branches, payment service providers, internet banking service, electronic channels or other communication channels).
21. The customer can activate his dormant account" in case there are no other active accounts" through visiting the branch and presenting a written request to activate the account or through account balance validation.
22. Home visits for people with disabilities and the elderly (over 65 years) by the bank's employees to activate dormant accounts and obtain the required data and signatures are allowed upon customers request and subject to controls established for this purpose.
23. The bank has the right to close the customer's account in case that a year has passed since its balance decreased to zero and the customer has not reactivated the account, after notifying the customer through any of the communication channels available to the bank.
24. The customer is notified by the bank monthly for a period of 3 months before his account is considered dormant and after it is included in the dormant accounts, by any of the communication channels available at the bank, i.e: (visiting the branch, contacting the contact center, internet banking service, ATMs, sending a text message or through other electronic communication channels or by any other means that the bank deems appropriate).
25. The bank shall continue to cash any cheques drawn/ execute standing instructions on dormant accounts, where the bank notifies the account holders with these transactions through any of the available means. These transactions do not lead to account reactivation.
